

ProCon

Job opportunity – WTG installation for Vestas

Job opportunity

Dear interested Supervisors, electricians and technicians.

We are in the process of putting together a WTG installation team for Vestas for a project in Europe, and we are therefore looking into bringing in new employees to ProCon Wind Energy.

So, if you have experience working with Vestas and have interest in becoming part of our team, please register your CV through [this link](#) ASAP. Do not hesitate to contact our QHSE & HR Manager, Sanna Lambers for more information.

We are looking for:

- Site Manager
- HSE representative
- Electrical Supervisor
- Mechanical Supervisor
- Lifting Supervisor
- Erection Supervisor
- HV/MV Supervisor
- Electricians
- Mechanical Technicians
- Erection Technicians
- HV/MV Electricians

Sanna Maria Lambers

Position: QHSE & HR Manager
