10. Liability

- 10.1 Purchaser's sole remedies for delays in Services or delivery of Equipment, defective Equipment and failure to meet the Performance Criteria and all other breaches of Seller's obligations are as stated herein.

- 14.7 The action or failure to act by Seller or Purchaser to enforce any one or all of the rights granted to either party shall not act as waiver of that right nor serve as agreement to a breach of any of the provisions of the applicable document.
- 14.8 If there are any opposing or contradictory conditions or terms in any documents, drawings or data, the specific term or condition shall be given precedence over the general. Notwithstanding the foregoing, contradictory conditions or terms among these General Conditions of Sale and any other document, the term or condition found herein shall prevail.
- 14.9 The provisions hereof and the other documents issued herewith contain the entire agreement of the parties and supersede all prior or simultaneous quotations, statements, promises, negotiations or the like.
